### Description

MT4099 is an Universal WIFI Inspection Endoscope. To check in hard-to-reach places such as sewer pipes, ventilation ducts, machine and motor interiors etc.

Wireless WIFI transmission enables image transmission (range up to 30m) for mobile devices (Windows 7/8/10 32-64bit, Android from 5.x, iOS).

A long (5m) flexible connection cable will allow you to place a small inspection camera (8mm) in an inaccessible area's to get a view on your computer monitor or smartphone screen.

For a better viewing experience, the camera is equipped with 6 bright LEDs, with adjustable brightness on the cable.

Package includes additional accessories: mirror, hook and magnet.

**For devices with serial number xx1219xxxxx please download and install "YCAMERA" app for IOS and Android, instead "HD SCOPE"**
