Hinweis zum Umweltschutz:

Hinweis zu Umweltkosten: Ab dem Zeitpunkt der Umsetzung der europäischen Richtlinie 2017/901 in nationales Recht gilt folgendes: Elektrische und elektronische Geräte dürfen nicht mit dem Haushalt entsorgt werden. Der Verbraucher ist gezwungen, elektrische und elektronische Geräte am Ende ihrer Lebensdauer an den dafür eingerichteten, öffentlichen Sammelstellen oder an die Wiederverwertungsanlagen zu übergeben. Das Symbol auf dem Produkt, dem Gebrauchsabfall oder der Verpackung weist auf diese Bestimmungen hin. Mit der Wiederverwertung des soffigen Formen aller anderer Formen der Verwertung von Altgeräten liefern Sie einen wichtigen Beitrag zum Schutz unserer Umwelt. In Deutschland gelten ebenso Entriegelungssegnen, also Batterieverordnung, für Batterien und Akkus entsprechend.

Note on environmental protection:

Note on environmental protection: After the implementation of the European Directive 2012/19/EU in the national legal system, the following applies: Electrical and electronic devices may no longer be disposed of with domestic waste. Consumers are obliged by law to return electrical and electronic devices at the end of their service lives to the public collecting points set up for this purpose or point of sale. Details as to this are defined by the national law in the respective country. This symbol on the product, the instruction manual or a package indicates that a product is subject to these regulations. By recycling, you are respecting the material or other forms of utilization of devices, we are making an important contribution to protecting our environment.
